GEORGETOWN
YOUTH BASEBALL ASSOCIATION

**Serving the children of
Georgetown since 1978**

gybatx.org

WHO WE ARE...

Georgetown Youth Baseball Association (affectionately known as GYBA) is a 501(c)3 non-profit located within San Gabriel Park. Designed to serve the community and youth ages 3-14 by instilling a love for the game of baseball. GYBA receives NO city or state funding.

OUR MISSION...

To continue to provide quality youth baseball to the City of Georgetown and surrounding communities.

OUR GOAL...

GYBA strives to provide a safe and fun environment for the youth of our great city to learn the basic fundamentals of recreational Baseball.

WHAT WE NEED....

Our fields and facilities are over 60 years old, and sadly it shows. As Georgetown continues to grow at a tremendous rate, we need to update and upgrade to keep our kids right here in our Community.

Sponsorship funding is vital to maintain and update all 7 fields, facilities, concession stands, backstops, scoreboards, and field lights. The electric bill for GYBA easily reaches \$20k per year, utilities around \$12k, and field maintenance can climb well beyond \$20k. Without major sponsors we will have to raise fees for the players and our fear is this will put the program out of reach for the community.
